RE: Amended September Monthly Report (08/01/2016 - 08/31/2016)

Dear Ms. Miller:

This letter is in response to your letter dated April 23, 2017 regarding the NRA Political Victory Funds Amended September Monthly Report (08/01/2016 - 08/31/2016) concerning a missing 48 Hour Report. The second part of your letter addressed Calendar Year-To-Date Per Election for the General Election races in both the Ohio Senate and Presidential races.

As reported on our September Monthly Report, we made an Independent Expenditure on August 22, 2016 for a phone bank that was disseminated on August 21, 2016. Per your discovery, we did not file a 48 Hour Report for those phone calls. A 48 Hour Expenditure Notice has been filed to report that transaction.

The second part of your letter is about incorrect Calendar Year-To-Date Per Election totals. At this time, our software vendor automatically calculates memo entries as well as the actual payment entries together. This results in a double accounting for the same transaction. We have also found that if an independent expenditure is paid in one reporting period and disseminated in another, the program will correctly report the payment but will then subtract that amount when it is disseminated. This programming error results in an under-reporting of that year-to-date amount. We are waiting for our vendor to make the necessary corrections to their program, but the current time frame is not until this summer.

The correct Calendar Year-To-Date Per Election totals for this reporting period are:

Ohio Senate \$1,570,752.85
President \$6,440,127.87

I can be reached at 703-267-1155 should you have any additional questions.

Sincerely,

Mary Rose Adkins
Treasurer
