I am in receipt of your letter on 1/6/25 regarding the July Quarterly Report. This letter was dated 7/29/24. However, until this date of receipt, I was unaware of this request.

Please see additional information for clarification.

Regarding the unfiled 48-hr notices: In review of our records, due to an inadvertent data entry error, it appears the date entered and reported was the date of the actual deposit, not the date of receipt. The date of receipt for these contributions was prior to the 48-hr notice requirement. The dates have been corrected and have been reflected on the amended reports (Pre-Primary and July Quarterly).

In regard to the excessives, please be advised that for the contributions reported from the American Israel Public Affairs Committee PAC contributions in the amount of .95 and 8.67 - the PAC was a conduit for these contributions, these were not direct contributions from the PAC. This has been corrected and reflected on the amended report. The other excessive contributions listed (Comcast Corporation & NBCUniversal PAC on 5/3/24 and NCTA-The Internet & Television Association PAC on 5/6/24) have been corrected to reflect the correct election cycle and now reflect as General contributions.
