The disbursements on Schedule B line 21b are neither for any Federal Election Activity nor do the disbursements promote, attack, support, or oppose any Federal Elected Official or any Federal Candidate. The employees reported on the H4s are working less than 25 percent of their compensated time in a given month on Federal election activity or activities in connection with a Federal Election. Michigan Republican Party does not pay rent for our Headquarters as we own the building. All transfers from the non-allocable account are done within the 10 days prior and the 60 days after the payment to the vendor. We keep a detailed track of all vendor payments to ensure all transfers are done within the 70-day window. The difference between the H3 transfer for the period listed above and the federal disbursements of the allocation ratio is a result of timing of the transfers for the reporting periods. All funds transferred from an affiliate are deposited into a separate bank account and is used only for federal election permissible disbursements. Part of the transfer from State to Federal on 2.17.21 is for the prior year split ratio totaling \$30,173.17.
