The Committee to Elect Stocker for Congress submits this Form 99 to notify the Federal Election Commission that Candidate Kevin Stocker was unsuccessful in the Democratic primary election for New York's 23rd Congressional District and has withdrawn from further candidacy. We intend to terminate the committee in accordance with FEC regulations.

During discussions with the Commission, it was brought to the committee's attention that certain expenditures were inadvertently reported using incorrect classifications. These classification errors were unintentional and did not affect the amounts reported or the committee's financial activity. This statement is submitted in accordance with the guidance provided by Commission staff in lieu of filing amended reports.

The candidate has forgiven all loans he gave to the campaign and does not expect reimbursement. The committee has no outstanding debts, no remaining cash on hand, does not anticipate receiving additional contributions or making additional expenditures, and respectfully requests that the Commission terminate the committee.
