The Honorable Dona Padar
Judge, Criminal Division
12th Judicial Circuit Court
Sarasota County, Florida

Subject: Request for Review and Referral of Alleged Brokerage Account Irregularities

Dear Judge Padar,

My name is Shawn Stefan Bettis (President SB), and I respectfully submit this correspondence regarding matters that I believe warrant review by the appropriate law enforcement and regulatory authorities.

I maintained a brokerage account containing investments associated with aerospace and defense interests, including Boeing, as well as investments associated with Apple. During a period in which I was in custody related to a driver's license citation in Sarasota County, Florida, I became aware of what I believe were significant and unauthorized changes affecting my brokerage account.

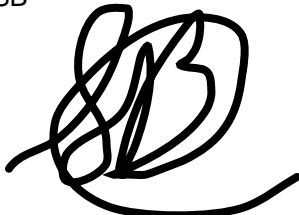

I respectfully request an investigation into my allegations that activity occurred within my brokerage account without my authorization while I was unable to monitor or access the account. I further allege that account identification information was changed from a nine-digit account number to a fifteen-digit account number without my knowledge or consent.

I request preservation and review of all relevant records, account-access logs, communications, account modifications, and any other information necessary to determine whether any violations of law may have occurred. I intend to exercise all rights available to me under the Constitution and laws of the State of Florida and the United States of America, including rights relating to due process and access to the courts.

Thank you for your consideration. I respectfully request guidance regarding the appropriate procedures for submitting supporting documentation and pursuing any available legal remedies.

Respectfully submitted,

Shawn Stefan Bettis
President SB
