The July quarterly report has been amended to correct and clarify the following items: (1) A contribution that was refunded during the 1st quarter in the amount of \$35.00 was mistakenly removed from receipts as opposed to being reported as a disbursement. This has been corrected in the amended April quarterly report. As a result, the calendar year-to-date totals in the July quarterly report have been adjusted accordingly. (2) A consolidation of donor records has been performed to ensure that all itemized and unitemized contributions are appropriately reported. As a result of this consolidation, the itemized and unitemized contributions have been adjusted accordingly.
