Transfers from a national committee were from joint fundrasing activities and as such, these funds are not restricted for use as the federal component of an expenditure or disbursement allocated between Federal and Levin funds. Federal funds transferred from national party committees or other State, district or local party committees are not used as the Federal component of an expenditure or disbursement for Federal Election Activity. Transfers from joint fundraising representatives reflect receipts from the joint fundraiser during the reporting period. The joint fundraiser may provide memo information for Schedule A in reporting periods other than the current reporting period. For employees who worked more than 25% of their time in any month on Federal Election Activity, their compensation and related payroll load are reported on Schedule B for the reporting period. For employees who did not work more than 25% of their time in any month on Federal Election Activity, their compensation and related payroll load are reported on Schedule H4 for the reporting period. For the reporting period no goods or services were contributed in-kind. Payments to individuals are for the matters noted in the description line (i.e. rent, office cleaning, etc.) whereas reimbursements to individuals such as employees or volunteers for goods or services are described as reimbursement and are itemized regardless of amount.

Form/Schedule: **SA12**

Transaction ID: **SA12.40569**

This represents transfers received for contributions raised by our joint fundraiser, ASDC Partnership Program. The joint fundraiser may not have transferred our share of the proceeds as of the end of the reporting period. Thus, to date, Schedule A memo entries exceed the related transfers. We monitor and expect to receive the related transfers in future reporting periods.
