Amendment - 2018 February Monthly Report - This Form99 is being submitted in response to the Federal Election Commission's request for additional information dated May 17, 2018. The FEC's inquiry requests information about an event/activity code that indicates the ratio is the same as previously reported; there appears to be no prior reporting on the public record. The event/activity code ?October 30, 2017 Event? was created on December 1, 2017 and should have been included on the committee's 2017 Year-End Report. The code, however, was not assigned to a reportable transaction until January 2018. As such, it appears that ratio may not have been included on the 2017 Year-End Report. As created, the ratio for the event/activity code named October 20, 2017 is 25% federal : 75% non-federal. In the event that further information is needed in this regard, please advise the committee.
