Dear Mr. Andre:

In response to your letter of December 18, I have enclosed a compilation of the administrative expenses of GreenVote as reflected on our FEC statements during the last election cycle. These are all of the administrative expenses incurred by GreenVote. In response to your letter, GreenVote has no connected organization.

It is a committee with nominal activity and, as a consequence, our overhead is low. During the off year, for instance, our activities are particularly minimal. For example, we do no speculative fundraising like directmail. The PAC has no employees or recurring administrative services. We pay for occasional consultants and administrative help. The committee also relies on volunteer assistance. In addition we pay for periodic phone, federal express and overhead expenses. In every case, we pay fair market value. We do not expect this situation to change. If you have any questions, please contact me.

Best regards,

Francis E. Smith
Treasurer
