Dear Ms. Jimeson:

Enclosed please find the year-end report for DNC Services Corporation/Democratic National Committee ("DNC"), which covers the period of July 1, 1993 through December 31, 1993. Please note that the current status of our accounts is as follows:

Federal cash on hand	$ 1,337,987.55
Non-Federal cash on hand	$ 2,119,452.24
Total cash on hand	$ 3,457,439.79

Furthermore, please note that, on Schedule D, several debts, in the total amount of $91,064.31 have been adjusted to reflect that such debt is no longer owed. To the best of our knowledge, all of these amounts -- if they were properly reported as debts in they first place -- were incurred prior to 1983, with most of the entries originating in the 1970's. Current DNC staff have made several attempts to contact former DNC staff to determine the duration and nature of these debts. Furthermore, current staff have been unable to locate any documents in our possession that would substantiate the existence of this debt. Finally, no vendor listed in these entries has contacted the DNC to demand any payments at any time during the tenure of any current DNC staff, and it is our belief that a majority of vendors are no longer in existence.

For these reasons, the DNC believes that the amounts referred to above are no longer in fact current liabilities of the DNC and, therefore, cannot accurately be included on Schedule D.
