Memos related to joint fundraising proceeds are not always received from the joint fundraising committee during the reporting period in which a transfer is made. Proceeds collected by the joint fundraising committee are not immediately sent to a state party; rather, transfers are usually made on a regular schedule that does not always correspond to the filing periods of a recipient committee. As such, it is not uncommon for the joint fundraising committee to provide reportable memo contribution information before and/or after related transfers are made.

- II. Shared **DIRECT CANDIDATE SUPPORT** activities are allocated according to benefit expected to be derived, where the federal proportion of disbursements is based on the benefit derived by federal candidates from the activity. **For PACs Only:** Direct candidate support includes public communications or voter drives that refer to both federal and nonfederal candidates, regardless of whether there is a reference to a political party.
