MS. JENNIFER PUGH, TREASURER
AMERICAN COUNCIL OF ENGINEERING
COMPANIES (ACEC/PAC)
1015 15TH STREET, NW, SUITE 800

Response Due Date
05/28/2020

IDENTIFICATION NUMBER: C00010868

REFERENCE: YEAR-END REPORT (12/01/2019 - 12/31/2019)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- A review of the reports filed by "New Democrat Coalition Action Fund" discloses a \$5,000.00 contribution made by your committee on December 30, 2019. However, your reports do not appear to disclose a disbursement to this committee. Further, memo text attached to an Amended Year-End Report (7/1/19 - 12/31/19) filed by this committee on March 27, 2020 states, in part: "The committee would like to confirm it did receive a contribution from the American Council of Engineering Companies PAC federal account." Please amend your report(s) to disclose this activity or clarify this apparent discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
