Dear Mr. Matton:

On April 21, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 6, 1999, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The state of Louisiana changed the date of its Primary Election to November 3, 1998; the SAME date as the regularly schedule General Election. The Run-off Election, scheduled for December 5, 1998, was not held. Therefore, Louisiana House and Senate candidates may only receive contributions for ONE election; the 1998 Primary Election held on November 3rd.

Your response references Advisory Opinions 1978-79 and 1984-85. These advisory opinions are not relevant to your situation because they address Primary and General Elections held on separate dates. Since the 1998 Primary and General Elections (in the state of Louisiana) were held on the SAME date, only one contribution limit applies. Please inform the Commission of your corrective action (e.g., refund or redesignation) in writing. You may provide a copy of your refund request or letter authorizing redesignation, in response to this notice.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Andrea Wilkens on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,
