This memo is in response to the RFAI sent to Ryan For Congress #C00330894 on November 15, 2016, from the RAD concerning the Ryan for Congress 12 October Quarterly Report.

We have made the adjustments, either (i) refunding the purported excessive amounts to the donor, (ii) reallocating the funds to a different participant committee in the joint fundraising committee pursuant to the Joint Fundraising Agreement, or (iii) or redesignating the funds to a different election, all as appropriate and in compliance with the law. The majority of the donors in question will be taken care of in the Post-General Report.

Also, the contribution from Mrs. William Clark (which had been merged with Mrs. Elloine H Clark) reported in a 48-hour report was refunded in full on 8/1/2016 and thus did not show up. In the amendment, we just filed you will find both the donation and the refund listed.
