Cash on hand updated. 1. The Becker, Lindsay and Ratner excessive contributions were memo records. These donations were reallocated by Obama Victory Fund. We have now received the reallocation information and have amended our reports to reflect that reallocation. The \$1,250 received from Susan Tomasky was a memo record, but since no reallocation was made we have made a refund and a photocopy of the check will be mailed and reported on our monthly report. 2. The donors with foreign addresses were vetted by Obama Victory Fund and none of our donors were foreign nationals. This is the clarifying information they provided to the FEC: You requested additional information regarding contributions to the Committee from individuals with mailing addresses outside of the United States of America. The Committee has established a complex and thorough vetting system which meets and surpasses the procedural requirements of the Federal Election Campaign Act (the Act) and Commission regulations to ensure that the Committee does not knowingly accept, and has not knowingly accepted here, any contributions from foreign nationals or from other prohibited sources. In designing and implementing its contribution vetting system, the Committee has given special care to the process of accepting contributions from donors who may live abroad to ensure that contributions are not knowingly received from foreign nationals. Donors who contribute online are required to check a box confirming that they are either a United States citizen or a lawfully admitted permanent resident of the United States. Donors who enter a foreign address are further required to enter a valid U.S. passport number before making a contribution. The Committee then follows up with such donors to request a copy of their U.S. passports and engages in a careful screening process to vet and examine each donor to ensure they are not a foreign national and to confirm the validity of each contribution. Individuals who make contributions to the Committee in person at events held outside the United States are separately required to provide a copy of a valid U.S. passport and submit a contribution form confirming they are not a foreign national. Any contribution found to be from a foreign national or any other prohibited source is promptly refunded. Given this process, the Committee has information for all of the contributors identified in your request for additional information confirming, to the best of the Committee's knowledge, that none of them are foreign nationals or their contributions have been refunded. 3. The \$5,000 contribution from the Summit County Democratic Party should only have been a Federal donation of \$1,000 with \$4,000 transferred to our non-federal account. It appears that we did not make the \$4,000 transfer so we have refunded this amount and a photocopy of the check will be mailed and reported on our monthly report. 4. The Stamps-GOTV and Printing GOTV payments were for generic campaign activity and the entries have been corrected. 5. All of the Schedule B payments met the definition of exempt activity as you described and none of the transfers we

Three digital displays are shown, each with a row of small squares above the main display area. The first display shows '10' with two squares above it, the second shows '17' with two squares above it, and the third shows '2012' with four squares above it. The squares are arranged in a way that suggests they are part of a larger system, possibly a scoreboard or a data display.
