FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION**Form/Schedule: F3A****Transaction ID :**

This amendment is in response to the letter from the Commission requesting for additional information dated November 17, 2022. The Commission noted 4 individuals who were reported to have apparent excessive contributions. The Committee sent requests to the donors asking to reattribution the donations to their spouses. Withing the allowable time under the code, however, the Committee refunded the excessive portions of those donations. The excessive donations from donors Daniel & Dall were refunded on November 11 and November 28th respectively and reported on the required regular report. The donations from the Kehoes were refunded on July 21. These donations, though reported on the original October Quarterly report, included them on line SB17 instead of line SB20. This has been fixed on the attached amendment. The second issue the Commission requested information about was an apparent excessive donation from the American Israel Public Affairs Committee PAC. There was only one donation from the PAC itself for \$5000 on 7/28. The other three donations were not direct donations from the PAC, they were conduits from individual donors through the PAC. These individual donors were accidently left off the original report, but have been included in this amendment. The Commission also noted 2 non-qualified PACs that had been reported as donating over the allowed \$2,900. The Committee had refunded the overage to the Fairbanks Morse LLC PC on September 30, 2022, however it recorded this refund in the wrong location which did not make it onto the original report. This has been fixed on the attached amendment. The overage of \$2,100 from Austal USA LLC Federal PAC has been refunded and will be reported on the next regular report. The donation the Commission asked about from Martin Oyster Com LLC is an acceptable donation. The Committee requested the information from the donor and was able to establish that the donation was acceptable within the allowable time frame. The information about the donor was received and reported on the 30-day post general report.
