A. Form/Schedule : **F3XA**

Transaction ID :

Except as may be specifically identified, no expenditure was made on behalf of a specifically identified federal candidate, and no expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. Except as may be specifically identified, no expenditure was for a public communication or voter drive activity containing express advocacy or that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. The payments disclosed on Schedule B for Line 21(b) for fundraising activities did not constitute public communications that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. While these disbursements were eligible for allocation using the funds-received method, the Committee elected to pay these expenses with 100% federal funds. Payments for salaries and related fringe benefits disclosed on Schedule H4 are for employees who spent less than 25% of their time engaged in activities in connection to any federal election. Salaries for employees who spent more than 25% of their compensated time engaged in activities in connection with a federal election are disclosed on Schedule B supporting Line 30(b). Upon review the committee finds that taxes and fringe benefits relating to those salaries totaling \$3,593.24 during the reporting period were incorrectly treated as joint activity. Those transactions are reclassified on this report as Federal Election Activity paid entirely with federal funds. A correcting transfer for \$2,838.66 representing the non-federal portion will be made on September 1, 2010 and be reported on the October monthly report.
