This report responds to the Request for Additional Information, dated March 1, 2026.

During the past year, there have been significant changes in leadership and staffing at the National Organization of Social Security Claimants' Representatives (NOSSCR). The individual responsible for preparing the 2025 mid-year NOSSCR PAC report had only recently learned to use FECFile. The report that was filed, which reflected only \$10.00 in receipts and no disbursements, was uploaded erroneously. An amended report was prepared subsequently, but was never appropriately uploaded to FECFile. The omissions in the mid-year data were noted when NOSSCR sought the assistance of outside counsel to file the 2025 Year-End report. The missing information was identified and reported in the amended 2025 mid-year report that was filed with the Commission on February 18, 2026. NOSSCR PAC intends consult with counsel regarding future reports.
