This responds to your letter dated December 19, 2021, regarding the Committee's Amended July Quarterly Report (April 1, 2021 – June 30, 2021).

The quarterly discloses \$1,256,820.20 in unitemized contributions. The Committee received a significant number of contributions of less than \$200 during the 2019-2020 cycle, and continued to receive such small-donor contributions in 2021. The Committee properly itemizes contributions aggregating to \$200 or more in an election cycle received from individual donors on Line 11(a)(i) of the Committee's reports. In fact, the Committee uses a reporting software that calculates a donor's cumulative election cycle total and itemizes the contribution(s) once the donor reaches the \$200 reporting threshold.
