Enclosed with this letter is the report of the Randy Tate for Congress Committee, C00289389, on the thirtieth day following the general election held on November 8, 1994.

It was my intent to file, concurrently with this report, amendments to the past three reports of this committee. These amendments are necessary primarily because of late information received reporting several small in kind contributions to the committee. In the process of preparing these amendments, certain minor errors were also detected and corrected. However, insufficient time was available to file these amendments as well as to timely file this required 30-day report. The year to date summary data on the current report are based on the revised figures from the amendments to be furnished. The amendments will follow within the next five days.

Sincerely,

Edwin A. Opstad
