On May 19, 2026 the Committee received a letter from the commission requesting additional information about two donations that should have been reported on pre-primary 48-hour notices. The amendment to FEC-1950614 updates the 48-hour report covering donations received between 2/24/2026-2/26/2026. The original 48-hour report should have included both donations noted on the Commission's letter. The amendment fixes this.
