Reference: Year-End Report (11/29/22-12/31/22)

Dear Mr. Dobi:

This letter is in response to the request for additional information dated February 16, 2023.

The letter indicates that the Committee continues to accept funds designated to the 2022 Special General for debt retirement. The Committee has reviewed all calculations related to the 2022 Special General and has confirmed that funds raised for the 2022 Special General do not exceed total expenses for the 2022 Special General and that the debt reflected on the above referenced report is accurate and exceeds funds raised for the 2022 Special General. Please note that these calculations do take into account any funds potentially spent for prior election expenses.

The Committee will continue soliciting funds to retire the 2022 Special General Election debt and will not raise funds that exceed the correctly calculated net debt outstanding.

Sincerely,

Lisa Lisker

Treasurer
