Dear Ms. Manzano:

Please find enclosed an amended report for the period 3/1/96 through 3/31/96.

A \$2,500 check for Tim Johnson of South Dakota dated March 19, 1996 was reported as a General 96 campaign contribution. This check was intended for the candidate's Primary 96 campaign, and the error was caught when our computer software prevented us from entering an additional contribution to the general election.

We regret this inconvenience to all concerned.

Sincerely,

Faye B. Frankfort
