Form/Schedule: F3A
Transaction ID :

Report is amended to correct totals for lines 11ai and 11aii as duplicate records found that went from unitemized to itemized and to update the debt schedule due to previous amendments. Report is amended to reflect in-kind changes provided by conduiting committee after the original report was filed. Those in-kind contributions were also modified to show the earmarking committee information in the proper way. Payment to Berger Hirschberg Strategies is reclassified as an Other Expenditure due to the fact it was a payment made on behalf of the JEM Fund joint fundraising committee before that committee had funds available to make the payment. Committee found some duplicate records that forced some contributions to itemize that previously did not. Cycle to date totals for those donors have been updated to reflect the merged records.

NAME OF COMMITTEE (In Full)
Max Rose for Congress

A diagram of a rectangular frame structure. It consists of two horizontal members (top and bottom) and ten vertical members. The vertical members are arranged in two groups of five, with one group on the left and one on the right. The top horizontal member is connected to all five left vertical members and all five right vertical members. The bottom horizontal member is also connected to all five left vertical members and all five right vertical members. This results in a total of 12 members (2 horizontal + 10 vertical).
