Dear Ms. Davis,

I am writing regarding Freedom Partners Chamber of Commerce filing FEC-1189924. We experienced technical issues from October 27th - October 28th which prevented us from making a timely submission. We attempted a paper filing but were later informed by your office paper filings are no longer accepted. Per your instructions we are filing this Form 99 - Miscellaneous Electronic Submission to document our efforts to comply with the 48-hour reporting requirements promulgated by FEC.

Thank you,
