Calendar Year-To-Date totals for Lines 21(a)(i) and 21(a)(ii) Column B of the Detailed Summary Page have been corrected. The reporting of Direct Candidate support transactions have been corrected. On the prior report these expenditures were improperly split into two transactions on the H4, one as a memo entry for the federal portion also reported on Schedule F and one as a 100% non-federal expense. They are now reported as one transaction. Non-federal transfers were made only to cover the non-federal share of the allocable expense.
