Dear Mr. Gibson,

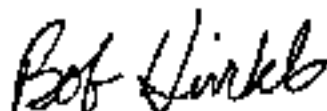

Family Values Campaign Fund has not been active since the mid year report. In fact I am enclosing the year-end report terminating the committee.

I apologize for not filing this report. Because we have not done anything with the committee since the mid-year report I just plain forgot to file it. I also moved in the month of January and the reminder to file must have been lost.

Please accept my apology. My new address is 535 E. Milner Rd. Zebulon, GA 30295.
My phone number is 770-567-0500.

Thank you again,

Sincerely,

Bob Hinkle
