A diagram of a rectangular frame structure. It consists of two horizontal members (top and bottom) and ten vertical members. The vertical members are arranged in two rows of five, with each row having a member at each of the four corners and one in the middle of each of the two long sides. This configuration results in a total of 12 members.

The diagram shows a rectangular building layout. A central horizontal corridor runs through the middle. On both the top and bottom sides of the corridor, there are several rectangular rooms. The rooms are arranged in a regular pattern, with a small square area (possibly a doorway or a small room) at the end of each corridor segment. The overall shape is a large rectangle with internal divisions creating a grid-like structure.
