Dear Mr. Taylor:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report disclosed certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. The Total Receipts and Total Federal Receipts figures should be properly listed on Lines 19 and 20 of the Detailed Summary Page. Line 18 is only used by committees with separate federal and non-federal accounts that undertake shared activity affecting both campaigns. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing. In addition, please amend all subsequent report(s) which may be affected by this correction.

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
