The Committee is in receipt of your August 30, 2022 RFAI.

1. The disbursements to Swing Left and Democracy Engine PAC were the result of a data entry error when uploading contributions; the contributions were inadvertently coded as earmarked contributions for which the Committee was the conduit instead of earmarked contributions received from a conduit and an offsetting disbursement . The Committee will amend its report to correct the error.
2. With regards to the 48 hour notification, the Committee failed to include the contribution referenced in the RFAI in the proper 48-hour notice. The Committee has instituted a new procedure for the future to require two individuals to independently review contributions during the 48 hour period. The oversight by the committee was unintentional as evidenced by the fact that the committee did timely report contributions totaling over \$69,000.
