Identification Number: C00775015 Reference: YEAR-END REPORT (10/01/2025 - 12/31/2025)

Dear Mr. Austin:

This letter responds on behalf of Schmitt for Senate ("the Committee") to the Commission's March 17, 2026 letter requesting additional information regarding the Committee's Year End Report filed on January 30, 2026.

The Committee has filed an amended Year End Report that addresses all six items raised by the Commission. After filing the original report, the Committee discovered that a software error caused donor information to be mismatched, which resulted in reporting errors. Notably, no summary page totals were affected by these revisions, and no subsequent reports required amendment as a result of this software issue.

For Items 1 and 5, all affected contributions have been reviewed and corrected on the amended report, including any necessary reattributions, redesignations, or refunds.

For Items 3 and 4, the amended report corrects the election cycle-to-date totals and properly reports all earmarked contributions received through a conduit.

For Item 2, the Committee had requested partnership attribution information for Tetzlaff Law Offices LLC before filing the original report but did not receive it until afterward. That information is now included in the amended report.

For Item 6, the aggregate election cycle-to-date totals for transfers from political committees have been corrected and are properly disclosed on Line 12 of the amended report.

Please feel free to contact me if you have any questions.

Sincerely,
Janna Rutland
Treasurer
