Reference: OCTOBER QUARTERLY REPORT (07/01/2022-09/30/2022)

Dear Mr. Dobi:

1.In response to your request for additional information regarding potential excessive contributions on the October quarterly report, the Committee is aware of the FEC regulations of refunding, redesignating or reattributing any contribution in excess of the \$2,900 aggregate within 60 days of receipt of the contribution. The following individuals were refunded within the 60 day window:

Michael Garcia was refunded on 10/21 which is shown on the Post-general report.
Stephen Goodrick was refunded on 10/21 which is shown on the Post-general report.
Marilyn Hayden was refunded on 11/28 which is shown on the Post-general report.
Edward Nimeth was refunded on 10/29 which is shown on the Post-general report.
Mike Rydin was refunded on 10/21 which is shown on the Post-general report.
Victor Schlotterer was refunded on 10/29 which is shown on the Post-general report.

In the case of donors Charles Saulsbury and Charles Saulsbury Jr., these two individuals were earmarked through House Freedom Fund and are two separate donors.

In the case of John Childs a contribution was given through an affiliated committee earlier in the year. Once the committee became aware that this made his most recent contribution excessive the donor was refunded on 12/5 and will be shown on the year-end report.

The committee was sent earmarks through Club for Growth PAC without the PAC verifying if the donor George Daniels was already maxed out to the committee. Once the committee became aware that this made his most recent contribution excessive the donor was refunded on 12/5 and will be shown on the year-end report.

The contributions from Proud Patriots of Smith Mountain Lake and House Conservatives PAC were refunded on 12/5 and will be shown on the year-end report.

The contribution from Susan B. Anthony List Candidate Fund on 9/30 for \$2900 was reported incorrectly due to the committee not receiving the earmark attribution for this contribution. This was intended to be an earmarked contribution from Nancy Alvord, therefore the PAC is not excessive. The Committee will be filing an amendment of the October quarterly report to correct this contribution.

2.The committee has verified that the primary debt retirement contributions received have not exceeded the outstanding debts from the primary election.

3.The committee has verified the business entity status of Johnson Orthopaedic, LLC and that the contribution was received from permissible funds. The individual partnership attribution for this entity is Joe Johnson. The committee will be amending the October quarterly report to reflect this partnership attribution.

4.The contribution from Friends of Ruth Anderson is a nonfederal contribution received from permissible funds and is
