Dear Mr. Lanz,

The WedgePAC Committee (C00409276) is filing this memo entry in response to the Federal Election Commission letter sent February 1, 2006. Your letter states the WedgePAC committee may have made an excessive contribution of \$5,000 to the Marsha Blackburn for Congress Campaign Committee on December 30, 2005. According to the letter the contribution was excessive because the WedgePAC Committee had not filed form 1M to designate the committee a multi-candidate committee.

Before receipt of your letter our internal practices had realized the error and requested a refund check from the committee in the amount of \$2,900. This refund check was received by WedgePAC on February 13, 2006. The refund has been recorded and will appear in line 16 of the March(M3) Monthly Report. In addition the WedgePAC committee has sent a copy of the request letter and the refund check to the Federal Election Commission for your records.
