We are responding to your letter dated March 24, 2026, concerning the Committees Amended December 2025 Monthly Report, and your letter dated March 31, 2026, concerning the Committees Amended Year-End 2025 Report. The referenced totals on the reports Detailed Summary Pages appear incorrect due to the Committees current effort to amend prior reports filed during and for 2025 in order to correct numerous disclosures of financial activity on incorrect report lines (including on the Amended Year-End 2025 Report). Each reports amendments will affect subsequent reports column B totals. These amendments will also provide some omitted information and disclose discovered misappropriations from the Committee by its former Treasurer, who prepared and filed the February through October 2025 reports. The Committee will submit these amendments as soon as possible.
