This is response to the RFAI dated January 13, 2022 due on February 17, 2022.

The excessive contributions for Mary Quinn Delaney and Anthony Fenison have been corrected on subsequent reports.

Mark Takano for Congress performs regular data integrity checks to prevent duplicate contact entries and to ensure excessive contributions are corrected within the 60 Day Timeframe. In the case of Edward Traynor, we were unable to do this due to the high frequency and volume of the donor?s giving. We have updated our internal practices to closely monitor Mr. Traynor and other high dollar donors to prevent this in the future.
