PROMISSORY NOTE

Amount: \$15,000
Date: June 3, 1999

Nashville, Tennessee.

For value received, the undersigned unconditionally promises to pay to the order of A. Lamar Alexander the principal amount of Fifteen Thousand and 00/100 Dollars (\$15,000.00), plus interest per annum on the unpaid balance, both as provided below (or on demand if no repayment provision is made). If the interest rate hereon is, or is based on, the Payee's prime rate, it shall be adjusted whenever said prime rate changes, but at no time shall the interest rate hereon exceed the maximum applicable lawful contract rate in effect from time to time (hereinafter called the "Maximum Rate"). Any renewal or extension hereof in whole or in part may provide for a rate of interest not exceeding the greater of (1) the Maximum Rate in effect as of the date of this Note, or (2) the Maximum Rate in effect at the time of such extension or renewal.

If any required payment of interest or principal is not made when due or if any Obligor (including any Maker, Endorser or Guarantor) either dies, becomes the subject of any proceeding under any bankruptcy or other insolvency statute, otherwise becomes insolvent, is in default on any obligation owed to the holder hereof, or if in the holder's judgment there is a material adverse change in the financial condition of any Obligor, then in any such event this Note shall, at the option of the holder and without notice, immediately become due and payable, and this power vested in the holder shall be a continuing one. From and after maturity, whether by acceleration or otherwise, the total of unpaid principal and accrued interest on this note shall bear interest at the Maximum Rate or, at the holder's election, the Maximum Rate in effect as of the date of this Note, until paid in full. All Obligors jointly and severally agree to pay reasonable attorneys' fees and all other costs of collection incurred in enforcing this Note after default, and all hereby waive demand, presentment, notice and protest, and consent to any and all extensions or renewals hereof requested by and granted to any Maker.

(1) Interest is set at the Prime Rate as published daily in the *Wall Street Journal*, payable when the last principal payment is made.

(2) Principal shall be payable on demand.
