This amendment is in response to the RFAI dated 2/5/26. The beginning cash balance and Line 8 totals have been updated. Subsequently filed Monthly Reports affected by this change will be amended as well. The RFAI also notes that the report contained insufficient contributor information for some contributors. Club for Growth PAC uses best efforts as defined by the FEC to obtain and report contributor information. First, all Club for Growth PAC solicitations include a clear and conspicuous request for the information and informs the contributor of the requirements of federal law for reporting such information. Second, if the information is not provided, Club for Growth PAC makes a follow-up, stand alone request for the information within 30 days of receiving the contribution. The follow-up request clearly asks for the missing information without soliciting a contribution, informs the contributor of the requirements of federal law for the reporting of such information, and includes a pre-addressed return envelope. Third, if additional contributor information is received, Club for Growth PAC amends the report disclosing the contribution to disclose the additional information. Additional donor updates from the original amended report have been included in this amendment.
