Dear Mr. Harkins:

I write in response to your letter concerning the Committee's 12 day pre-primary report covering the period January 12, 202 to February 11, 2026.

Your letter states that there may have been a failure to file a 48-hour notice of last minute receipts. We have reviewed this matter and determined that a miscommunication of the actual receipt of the contribution in question resulted in an error in the reporting date. An amendment to the report has been filed which corrects the public record.

Should you have any further questions on this, or any other matter, please contact the committee.

Thank you.
