Lender: Central National Bank
P.O. Box 2525
8320 W. Hwy 84
Waco, TX 76702-2525

APR 25 1997

Principal Amount: \$15,000.00

Interest Rate: 8.250%

Date of Note: January 9, 1997

PROMISE TO PAY. Chad Edwards for Congress (Borrower) promises to pay to Central National Bank ("Lender"), or order, in lawful money of the United States or America, the principal amount of Fifteen Thousand & 00/100 Dollars (\$15,000.00), together with interest at the rate of 8.250% per annum on the unpaid principal balance commencing January 9, 1997, until maturity.

PAYMENT. Borrower will pay this loan in one principal payment of \$15,000.00 plus interest on April 9, 1997. This payment due April 9, 1997, will be for all principal and accrued interest. Interest on this Note is computed on a 360/365 simple interest basis; that is, by applying the rate of the annual interest rate over the number of days in a year, multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. Borrower will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing. Unless otherwise agreed or required by applicable law, payments will be applied first to accrued unpaid interest, then to principal, and any remaining amount to any unpaid collection costs and late charges.

PREPAYMENT. Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, release Borrower of Borrower's obligation to continue to make payments under the payment schedule. Further, they will reduce the principal balance due.

POST MATURITY RATE. The Post Maturity Rate on this Note is 18.000% per annum. Borrower will pay interest on all sums due after final maturity, whether by acceleration or otherwise, at that rate, with the exception of any amounts added to the principal balance of this Note based on Lender's payment of insurance premiums, which will continue to accrue interest at the pre-maturity rate.

DEFAULT. Borrower will be in default if any of the following happens: (a) Borrower fails to make any payment when due. (b) Borrower breaks any promise Borrower has made to Lender, or Borrower fails to comply with or to perform when due any other term, obligation, covenant, or condition contained in this Note or any agreement related to this Note, or in any other agreement or loan Borrower has with Lender. (c) Any representation or statement made or furnished to Lender by Borrower or on Borrower's behalf is false or misleading in any material respect either now or at the time made or furnished. (d) Borrower dies, or becomes insolvent, a receiver is appointed for any part of Borrower's property. Borrower makes an assignment for the benefit of creditors, or any proceeding is commenced either by Borrower or against Borrower under any bankruptcy or insolvency laws. (e) Any creditor tries to take any of Borrower's property on or in which Lender has a lien or security interest. This includes a garnishment of any of Borrower's accounts with Lender. (f) Any of the events described in this default section occurs with respect to any guarantor of this Note.

If any default, other than a default in payment, is curable, it may be cured (and no event of default will have occurred) if Borrower, after receiving written notice from Lender demanding cure of such default: (a) cures the default within ten (10) days; or (b) if the cure requires more than ten (10) days, immediately initiates steps which Lender deems in Lender's sole discretion to be sufficient to cure the default and thereafter continues and completes all reasonable and necessary steps sufficient to produce compliance as soon as reasonably practical.

LENDER'S RIGHTS. Upon default, Lender may declare the entire indebtedness, including the unpaid principal balance on this Note, all accrued unpaid interest, and all other amounts, costs and expenses for which Borrower is responsible under this Note or any other agreement with Lender pertaining to this loan, immediately due, without notice, and then Borrower will pay that amount. Lender may hire an attorney to help collect this Note if Borrower does not pay, and Borrower will pay Lender's reasonable attorney's fees. Borrower also will pay Lender all other amounts actually incurred by Lender as court costs, lawful fees for filing, recording, or releasing to any public office any instrument securing this loan; the reasonable cost actually expended for repossessing, storing, preparing for sale, and selling any security; and fees for noting a lien on or transferring a certificate of title to any motor vehicle offered as security for this loan, or premiums or identifiable charges received in connection with the sale of authorized insurance. This Note has been delivered to Lender and accepted by Lender in the State of Texas. If there is a lawsuit, and if the transaction evidenced by this Note occurred in McLennan County, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of McLennan County, the State of Texas. Subject to the provisions on arbitration, this Note shall be governed by and construed in accordance with the laws of the State of Texas and applicable Federal laws.

RIGHT OF SETOFF. Borrower grants to Lender a contractual possessory security interest in, and hereby assigns, conveys, delivers, pledges, and transfers to Lender of Borrower's right, title and interest in and to, Borrower's accounts with Lender (whether checking, savings, or some other account), including without limitation all accounts held jointly with someone else and all accounts Borrower may open in the future, including however all IRA and Keogh accounts, and all trust accounts for which the grant of a security interest would be prohibited by law. Borrower authorizes Lender to the extent permitted by applicable law, to charge or setoff all sums owing on this Note against any and all such accounts.

COLLATERAL. To the extent collateral previously has been given to Lender by any person which may secure this loan, whether directly or indirectly, it is specifically agreed that all such collateral consisting of household goods will not secure this loan. In addition, if any collateral requires the giving of a right of redemption under Truth in Lending for this loan, such collateral also will not secure this loan unless and until all required notices of that right have been given.

ARBITRATION. Lender and Borrower agree that all disputes, claims and controversies between them, whether individual, joint, or class in nature, arising from this Note or otherwise, including without limitation contract and tort disputes, shall be arbitrated pursuant to the Rules of the American Arbitration Association, upon request of either party. No act to take or dispose of any collateral securing this Note shall constitute a waiver of this arbitration agreement or be prohibited by this arbitration agreement. This includes, without limitation, obtaining injunctive relief or a temporary restraining order; involving a power of sale under any deed of trust or mortgage; obtaining a writ of attachment or imposition of a receiver; or exercising any rights relating to personal property, including leasing or disposing of such property with or without judicial process pursuant to Article 9 of the Uniform Commercial Code. Any disputes, claims, or controversies concerning the lawfulness or reasonableness of any act, or exercise of any right, concerning any collateral securing this Note, including any claim to rescind, reform, or otherwise modify any agreement relating to the collateral securing this Note, shall also be arbitrated, provided however that no arbitrator shall have the right or the power to enjoin or restrain any act of any party. Judgment upon any award rendered by any arbitrator may be entered in any court having jurisdiction. Nothing in this Note shall preclude any party from seeking equitable relief from a court of competent jurisdiction. The statute of limitations, statute of waiver, laches, and similar doctrines which would otherwise be applicable in an action brought by a party shall be applicable in any arbitration proceeding, and the commencement of an arbitration proceeding shall be deemed the commencement of an action for these purposes. The Federal Arbitration Act shall apply to the construction, interpretation, and enforcement of this arbitration provision.

GENERAL PROVISIONS. NOTICE: Under no circumstances (and notwithstanding any other provisions of this Note) shall the interest charged, collected, or contracted for on this Note exceed the maximum rate permitted by law. The term "maximum rate permitted by law" as used in this Note means the greater of: (a) the maximum rate of interest permitted under federal or other law applicable to the indebtedness evidenced by this Note, or (b) the higher, as of the date of this Note, of the "Maximum Rate Ceiling" or the "Quarterly Ceiling" as referred to in Article 5069-1.04 (a)(1) and Article 5069-1.04 (a)(2) respectively, V.T.C.S. If any part of this Note cannot be enforced, this part will not affect the rest of the Note. In particular, this section means (among other things) that Borrower does not agree or intend to pay, and Lender does not agree or intend to contract for, charge, collect, take, reserve or receive (collectively referred to herein as "charge or collect"), any amount in the nature of interest or in the nature of a fee for this loan, which would in any way or event (including demand, prepayment, or acceleration) cause Lender to charge or collect more for this loan than the maximum Lender would be permitted to charge or collect by federal law or the law of the State of Texas (as applicable). Any such excess interest or unauthorized fee shall, instead of anything stated to the contrary, be applied first to reduce the principal balance of this loan, and when the principal has been paid in full, be refunded to Borrower. The right to accelerate maturity of sums due under this Note does not include the right to accelerate any interest which has not otherwise accrued on the date of such acceleration, and Lender does not intend to charge or collect any unpaid interest in the event of acceleration. All sums paid or agreed to be paid to Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by applicable law, be amortized, prorated, allocated and spread throughout the full term of the loan evidenced by this Note until payment in full so that the rate or amount of interest on account of the loan evidenced hereby does not exceed the applicable usury ceiling. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, protest, notice of dishonor, notice of intent to accelerate the maturity of this Note, and notice of acceleration of the maturity of this Note. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may renew or extend (repeatedly and for any length of time) this loan, or release any party or guarantor or collateral, or impair, fail to

realize upon or perfect Lender's security interest in the collateral. All such parties also agree that Lender may modify this loan without the consent of or notice to anyone other than the party with whom the modification is made.

PRIOR TO SIGNING THIS NOTE, BORROWER READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE. BORROWER AGREES TO THE TERMS OF THE NOTE AND ACKNOWLEDGES RECEIPT OF A COMPLETED COPY OF THE NOTE.
