Certificate of Candidacy

This official public document herein and hereby certifies that Laurah Guillen, hereinafter referred to as the, "candidate," is an official candidate for the office of the President of the United States of America, hereinafter referred to as the, "U.S.A.,"

and is running for that office as a official member of the political party called the, "JC Party." This official public document also instructs the Federal Election Commission, hereinafter referred to as the, "FEC," to have the candidate's name be placed as a candidate on the FEC official website, "FEC.gov," and placed on the ballot for the USA presidential election along with the rest of the candidates for USA president without any

further requirements nor any further qualifying, and without any further delay because the candidate's name was unlawfully

repeatedly removed from the Federal Election Commission's official website, "FEC.gov," as a presidential candidate, resulting in an unlawful, "undue burden," on the candidate and political party, which therefore now requires that as rectification via true USA constitutional justice (the superceding law of fairness) that this be the solution.
