The newly launched McColumn for Senate Campaign did not reach the required FEC 3 reporting level for both donations and disbursements as of 31 December 25. However, those base amounts greatly exceeded the FEC reporting threshold in early January 2026, as evidenced by our marketing placements throughout Georgia. Besides Republican voters, many donors are very small ones who supported John Ossoff, previously. The 2nd Qtr (or sooner) report will showcase the vast support for this Campaign.
