Ms Chacona:

This week I received the attached letter informing me that the quarterly PAC expenditure report for 01/31/2012 thru 03/31/2012, was not filed as required.

This missive, dated May 3, 2012, was the first documentation received from the FEC after submittal of my PAC application. No previous information has been provided by the FEC, no identification number had been received, and no notification that my request for establishment of a PAC had been processed. Thus no expenditures have been made, no contributions have been solicited or received, no EIN has been established and no bank account has been opened. No FEC password has been received to allow electronic filing. All of the above will now be undertaken and a quarterly report commencing 4/01/2012 will be filed in July.

I will follow up this above information with a phone call to Mr. David Garr next week.

Thank you for your understanding, please file this missive with my PAC file.
