All expenditures made by the committee during this period are generic. During the period covered by this report, no committee employee spent 25 percent or more of his or her time on activities related to a Federal election. The committee hereby incorporates by reference Form F99 Miscellaneous Report, an April 22, 2002 electronic filing that outlines the policies followed by the party in its effort to obtain the full name, address, occupation and employer for each contributor. The Committee hereby incorporates by reference Form F99 Miscellaneous Report, a May 31, 2003 electronic filing that clarifies the party's policy relating to payments received from candidates for goods and services provided by the party to said candidates. The party did not allocate to Federal Election Activity (FEA Activity) any of the group health insurance and/or any other employee-specific fringe benefits paid and reported as administrative expenditures because no party employee spent more than 25% of his or her time on FEA activity and therefore no FEA payroll was reported on line 30(b). Accordingly, no refund of non-Federal fund reimbursements of administrative expenses is required. The party owns its own building financed by a line of credit secured by the building. Administrative expenses, those payments made for the purpose of operating the committee such as utilities, repairs, janitorial costs, telephone service, office supplies, administrative wages and fringes, etc., are all paid with Federal Funds. Such expenditures are reported on Schedule H4 and allocated between Federal and non-Federal based upon the fixed percentage selected on Schedule H1. Transfers of non-Federal funds into the Federal Account for administrative expenditures does not exceed the percentage selected on form H1. The party reports as an in-kind contribution any goods or services (except for a volunteer's time) provided to the committee by any entity or individual at an amount not less than the fair market value of such goods or services.
