Dear Commission,

The committee is aware that transaction IDs X and Y appear without memo entries or other information. We have attempted using our best efforts to secure documentation for these sets of transactions, but the committee treasurer that held the records at the time passed away in 2023. We have been unable to determine who these checks were written to, for how much, and for what purpose. The amounts listed serve as an adjustment to the cash on hand to zero out bank accounts previously held by the committee that have since been closed.

Please let us know if you have any questions.

Sincerely,
Eric Swalwell for Congress
