SUBJECT: Reports For Write-In Campaign US Senate November 8, 2022

Dear Madam/Sir:

Sorry to cause you additional work for a lost cause. on my behalf, as approximately 20 million plus residents of the United States are attempting to make the United States' Government a Theocracy and the Democrat Party are now socialist and the Republican Parties are traitors due to their support of a political insurrection against the government of the United States.

The FEC, Federal Election Commission, official reading this correspondence may be to young when our country's motto, in English, "Out of Many, One" was changed to "In God We Trust" and now the Republicans are ending women's rights and other rights including the disbursement of birth control devices and medication. I'm looking forward to death as we do not have a single loyal US citizen in the government of the United States.

I did not intend to seek the US Senate seat held by Trump's lackey and supporter of the January 6, 2021 Insurrection of the United States – Rand Paul, but becoming a candidate was the only way I had to enlighten the citizens of Kentucky there were NO GODS OF ABRABHAM and Republicans attempted to

overthrow the government of the United States. The five-thousand-dollar radio ad campaign, November 1 – 8, 2022, was an attempt to have citizens of Kentucky and the United States view my long existing Blog site to learn the truth. (To date, I have not had any response to said radio ads; I don't know if the contractor dispatched the radio CD the five Kentucky Radio Stations I requested.) The blog address: BillyRayWilson.com.

Regarding operating expenses, my campaign did not increase my monthly expenses for telephone, internet, fax, etc.; the said devices have existed for decades due to book publications and dealing with the Department of Veterans Affairs and Department of Defense. However, I paid fifty dollars to Kentucky's State Treasurer for Senate Filing Fee and postage to the Secretary of State's Office. I did not personally campaign as it would have required an assistant due to the use of a walker and limited other medical difficulties nor did I purchase campaign paper literature. A local newspaper interviewed me but did not print the text of the interview. Kentucky is a Republican and Red State.

Please find the FEC Forms I felt were applicable

With respect, I remain.
