Dear Ms. Cregan:

On October 2, 1996 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your October 15, 1996 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your committee improperly reported redesignated contributions. You were correct to report redesignations as memo entries and disclose the dates of the original contribution and redesignation; however, these redesignations should be disclosed as memo entries on the report covering the period in which your committee actually redesignated the contributions. In this particular case, the redesignations should be reported on your 12 Day Pre-General Report since your committee redesignated the contributions during that coverage period in October. Please amend your August Monthly Report to report these contributions as originally disclosed and include these contributions as redesignated within an amended 12 Day Pre-General Report.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Amy Reynolds on our toll-free number (800) 424-9530 or our local number (202) 219-3580.

Sincerely,

A handwritten signature in cursive script, appearing to read "John D. Gibson". The signature is written in dark ink and is positioned above the typed name.
