REFERENCE: JULY QUARTERLY REPORT (05/02/2024 - 06/30/2024)

Dear Ms. Ringgold,

This statement is in response to the Commission's letter to the Committee dated October 27, 2024, regarding three (3) items on the above-referenced report (the "Original Report").

First, the Commission's letter requests clarification regarding five (5) contributors disclosed on the Original Report that appear to exceed federal contribution limits. The Committee has confirmed that one (1) of the referenced contributors are two different individuals and do not exceed federal contribution limits. One (1) of the referenced contributors had the excessive portion of his contribution refunded. One (1) of the referenced contributors had his excessive contributions returned to a joint fundraising committee (JFC) in which the Committee participates for proper reallocation. One (1) of the referenced contributors had his excessive contributions reattributed to his spouse. Due to a clerical error, the contribution from Oregon Frontier PAC was inadvertently disclosed with the wrong election designation. The relevant information is or will be reflected on either, as appropriate, the Amended Report being filed by the Committee along with this submission or a subsequent Committee report.

Second, the Commission's letter requests clarification regarding two (2) contributions that appear to be from limited liability companies (LLCs). One (1) LLC had its contribution refunded, as was reflected on the Committee's 2024 October Quarterly Report. The Committee has confirmed One (1) LLC used federally permissible funds, as will be reflected on the Amended Report being filed concurrently with this response.

Third, the Commission's letter requests clarification regarding "last minute" contributions disclosed on the Original Report but which appear not to have been disclosed on a 48-Hour Notice. All of the referenced contributions were disclosed on the 48-Hour Notice filed on May 17, 2024. However, due to a clerical error, these contributions were disclosed with the wrong date. This will be corrected on the Amended 48-Hour Notice being filed concurrently with this response.

Please feel free to contact us if you have any further questions.

Sincerely,

Jason Young
Treasurer
