IDENTIFICATION NUMBER: C00398750

REFERENCE: JULY QUARTERLY REPORT (04/01/2021 - 06/30/2021)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 6 item(s):

1. Commission Regulations require that a committee discloses the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR § 104.3(a)(4)(i)) Identification for an individual is defined as the full name (**initials for first or last name are not acceptable**), complete mailing address, occupation, and name of employer. (11 CFR § 100.12) Your report discloses contributions from individuals for which the identification is not complete.

The attached employer name and occupation entries appear on your report and are not considered acceptable.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR § 104.7(b)(1)) See 11 CFR § 104.7(b)(1)(B) for examples of acceptable statements regarding the requirements of federal law.

Second, if the information is not provided, you must make one follow-up, stand

alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The requests must:

- clearly ask for the missing information, without soliciting a contribution,
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you should either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR § 104.7(b)(4))

Please amend your report to provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

2. On Schedule A supporting Line 11(a)(i) of the Detailed Summary Page, your report disclosed contributions from individuals that omit the aggregate year-to-date totals. Please amend your report to provide the missing information. (11 CFR §104.3(a)(4))

3. Schedule B supporting Line 21(b) of your report discloses \$2,643.35 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity. (11 C.F.R. § 104.3(a) and (b))

4. Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions to federal candidates and other political committees should be properly disclosed on a separate Schedule B, supporting Line 23 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your filings. (52 U.S.C. §30104(b) and FORM 3X Instructions) Further, please amend your report to disclose these contributions on the proper line.

5. On Schedule B, you have disclosed disbursements to federal candidate committees. Commission regulations require that these itemized disbursements include the recipient's full name, complete address, date, amount, state of election, office sought (House, Senate, or President), and district (if applicable). Please amend your report to include the state of election, office sought (House, Senate, or President), and district (if applicable). (11 CFR §104.3 (b)(3))

6. For your information and consideration for future filings, Schedule B supporting Lines 21(b) and 23 of your report disclose apparent contributions to "HUDSON FOR CONGRESS" and "PETE STAUBER FOR CONGRESS" designated for "O2021, NP." However, it appears these candidates did not participate in the election indicated. Contributions not designated for a valid election will be attributed to the next election for Federal office in which the candidate is participating. (11 CFR § 110.1(b)(2) and 110.2(b)(2)) For future filings, please include valid election designation(s) if applicable.

- On Schedule A of your report you have disclosed a transaction for \$0.00. For your information and consideration when preparing future filings, only transactions with an actual monetary value should be itemized on your report. If the amount for this transaction was entered in error, please amend your report to include the correct amount. (11 CFR §104.3)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. For information about the report review process or specific filing information for your committee type, please visit www.fec.gov/help-candidates-and-committees. For more information about Requests for Additional Information (RAFI), why you received a letter, and how to respond, please visit www.fec.gov/help-candidates-and-committees/request-additional-information.
