I have not met the \$5,000 threshold limit, and my campaign raised to the end of December \$719 with estimated expenses then to be approximately about the same amount. I am ending my campaign as of January 31st and notified Act Blue to close my campaign account as I am supporting Mary Peltola for US Senate. Please put me down as no longer a candidate, and this will be my last filing as I have a total raised in January 2026 of \$188 with that amount previously spent on web work, an attempted SSL certificate and other small expenses.
