Mr. Brian Bennett
Reports Analysis Division
Federal Election Commission

Identification Number: C00399196

RE: April Monthly Report (03/01/09 - 03/31/09)

This electronic submission is in response to the Commission's request for clarification concerning administrative expenses for the 2010 Election Cycle.

The Committee is a non-connected political committee and is currently administered by a volunteer treasurer. There are no employees and the Committee does not have an office. The Committee has engaged a professional compliance consultant and a professional fundraising firm to manage the financial activities and these consulting firms are compensated for their operational expenses as part of their fees.
